KETCHIKAN PIONEER HOME

GREETINGS FROM THE ADMINISTRATOR

We are excited to be welcoming Autumn and all of the fun activities that accompany this season.

The KPH participated in the Aging and Disabilities Resource Fair on Saturday at the Plaza and it was a great opportunity to visit with community members and answer questions regarding the wait list and provide information about KPH.

If you were unable to attend the Fair please make sure you call or come by our front desk where new application packets and Frequently Asked Question booklets are located. Though there were many questions from community members about the status of the waitlists and admissions it is important to keep in mind that the KPH is still processing admissions as we are

able to do so and the admission process is still based on application date only. This may change in the future but for now it is a good idea to apply and remain on the inactive waitlist and activate your name when or if the need should arise.

Rachel Breithaupt shares her new bundle of joy.

LOOKING FORWARD

The residents of the KPH will be hosting a fun Fall Square Dance from 3:00-4:00 on Sunday October 23rd. This event is so fun and wheelchair dancing is welcome! There will be live music, dancing and special treats!! If you've been missing the days of dancing the night away, this is your chance to come and join in the fun.

BINGO

Well they did it again, PHKMC New Horizons staff along with the other senior agencies in the community pulled together another wonderful night of big prizes, yummy desserts and good times. Special thanks to the businesses in Ketchikan for providing so many wonderful donations. It makes for an exciting night out for our residents. Thank you!

STARS AMONG US

In September we were able to honor Eddie Lopez for 5 years of dedicated service to the State of Alaska as a cook and Allen Fabros for 15 years of dedicated service to the State of Alaska in our ES department. Thank you so very much for your commitment to our residents every day.

LIBRARY TIME

Library Time is back by popular demand! Our preschool students have returned and we are so happy to be spending our Friday mornings with them while sharing some of our favorite

childhood story books. If you have a minute please stop by and witness this wonderful intergenerational program filled with hugs and so many wonderful memories.

Residents are enjoying the return of our preschool students this month.

PIONEER TEA

Members of the Pioneers of Alaska Igloo #7 visited us for a lovely Autumn Tea party. We have many residents who are members of this fraternal organization and it was so nice to gather for tea. The Pioneers of Alaska is an organization whose purpose is to preserve the early history of Alaska and its membership is open to men and women who have been residents of Alaska for 20 years.

LADY BUG VISITORS

The Lady Bug preschool class of Holy Name has been among our most dedicated group of volunteers over the years. Miss Diana has been helping establish relationships between our residents and her students in such a meaningful way. This year we also welcome back teacher aide Miss Maureen. Thanks so much Holy Name Lady Bugs, we are so grateful for all of your years of collaboration and we are so happy to have you back.
